Dear Mrs. Holston,

Please forgive me for being so slow to answer your last letter. Before I wrote I wanted to try and organize my information and I haven't had much opportunity to do that. The information I am sending you is not all that I have but it is the majority of the material that traces the family back to South Carolina. The other material is on individual family lines from 1830 to the present time and is not very organized yet.

We can trace our family with good confidence back to a William Holston that moved from Edgefield Co. S.C. to Dallas Co. Ala. between 1820 and 1830. He was 40 to 50 years old in 1830 indicating that he was born between 1780 and 1790.

In the 1830 Dallas Co. Ala. census he appears with 9 children. The census did not record the names of other family members so the names on the following list are my addition based on later censuses and other data.

1830 DALLAS CO. CENSUS	
WILLIAM HOLSTON (40-50 yrs.)	
males under 5	-----2
males (5-10)	-----1
males (10-15)	-----1 Tillman *
males (15-20)	-----1 William **
females under 5	-----1
females (5-10)	-----1
females (10-15)	-----1
females (15-20)	-----1
females (30-40)	-----1

From other documents and other census data it can be seen that William also owned several slaves.

* Tillmans Middle Initial sometimes appears as M. and sometimes as C. in later documents.

** Later documents indicate name was probably James William.

An 1840 Chambers Co. Ala. census list William Holston (age 50-60 yrs.), William Holston (age 20-30 yrs.), and Tillman M. Holston (age 20-30 yrs.). Tillman Holston was listed as married (female age 20-30) and as owning one male slave (age 10-24). Tillmans occupation is listed as a farmer.

In 1850 the census began to list the initials of all the members of the family The 1850 Dallas Co. Ala. census list the families of the two brothers:

Name	age	sex	occupation	where born
Holston, T.C.	30	M	Farmer	S.C.
M.J.	24	F		Ga.
S.H.	17	M		
R.S.	8	F		
T.M.	6	M		
C.A.	4	F		
J.A.	2	M		
S.O.C.	4 mo.	M		
Holston, James W.	38	M	Physician	S.C.
M.C.	49	F		N.C.
W.J.	12	M		
M.A.	10	F		

Since the S.H. listed is too old to be one of Tillmans children perhaps it is a younger brother. James apparently married a woman 11 years older than himself. Note that in this census Tillmans family is still growing but James youngest child is 10 years old. Note also that James is a Physician but Tillman is not.

In 1870 the Choctaw Co. Ala. census list Tillmans family as:

Name	age	sex	Occupation	where born
Holston, Tilman	50	M	Physician	S.C.
Mary J.	40	F.		Ga.
Rebecca	26	F.		Al.
Thomas	26-	M.	farm laborer	Ala.
Caroline	23	F.		
John	22	M.		
Olie C.	20	M.		
James	18	M.		
Benjamin	16	M.		
Emma	15	F.		
Mary	12	F.		
Lou	10	F.		
Tilman	9	M.		
Willie	7	M.		

I am descended from the Tilman (age 9) listed above. I think your husband is descended from the James (age 18) listed in this census. I haven't any proof that this James is James Dallas but the age is right and his father is a physician. (Evidently Tilman got tired of farming and followed his brother and became a physician.)

The year Mary J. was born is hard to pin down. It varies from census to census as follows:

1850 census	----	born 1826
1870 census	----	born 1830
1880 census	----	born 1827

The information on the following page I received from Mrs Elmer Chancellor, a descendant of the Benjamin listed above. I have not checked the accuracy of the marriages other than Tillman Wood and Alberta Newell which I know to be correct.

Mrs. Chancellor had listed Tillman C. as Julious Charles and had only a middle initial for his wife. I got the Jane from my aunt Lillie before she died.

Now to cover the earlier information that I have (everything prior to 1830). Most of this information I found on a trip to Columbia, S.C. I am enclosing the Andrea Collection (random notes on the Holston Family) material that I have. It came from the Carolinian library at the University of S.C. Most of the collection is notes taken from court records but some of it is speculation by other people. Since some of the material appears contradictory I will try to back up everything I assume with some concrete evidence.

My first assumption is that William Holston found in Dallas County Ala. in 1830 is the son of Moses Holston Sr. of Edgefield district S.C. Here is my reasoning; The William Holston found in Dallas Co. in 1830 appears to be the same one found in Chambers Co. in 1840 based on his age, his wives age, and the age of his children, In 1840 only two William Holstons appear in the ALA. census. Both are in Chambers Co. No Holstons appear in the 1840 Dallas Co. census. Also the Tilman and the younger William (James William) appear in Chambers Co. in 1840 and in Dallas Co. in 1850. It would probably be interesting to find the reason

for the move from Dallas Co. to Chambers Co. between 1830 and 1840 and the childrens move back to Dallas Co. between 1840 and 1850.

Perhaps the death of Moses Holston in 1837 had something to do with the move. Moses Holston owned nearly 2000 acres in S.C. at the time of his death. The division of this property by the court list Moses Children. (This copy is part of the Andrea collection enclosed.)

Records of transactions in 1843 complete the link between the William Holston in the 1837 records and the William Holston found in Chambers Co. Ala. in 1840.(also in the Andrea Collection)

I have not found any concrete evidence of who the father of Moses Holston was. Using only census data I would guess that his father was William Holston Sr. listed in the 1790 S.C. census. Remember from here on I'm only guessing.

The first U.S. census was in 1790 and it listed only three Holstons in S.C.

1790 CENSUS S.C.

Orangeburg District (north part)

1. William Holston Sr.
2 sons under 16
3 females

2. William Holston Jr.
2 sons under 16
1 female

3. Moses Holston
2 sons under 16
2 females

One of the sons of Moses Holston is probably the William who moved to Ala. since he was born between 1780 and 1790. I would guess that William Sr. is the father of both Moses and William Jr. They all lived within three miles of each other in 1790.

The William Sr. listed above died in 1824 according to property settlements on record. He is first found in the records in 1773 receiving land on Clouds creek in S.C. After that his name appears fairly often in the records so he must have lived in the same area all his life.

He is most probably the son of a Stephen Holston who appears in S.C. in 1748. This is documented in the "Journal of the Council" march 16, 1749. Other references to Stephen Holston appear in the Journal in Feb. 5 & April 3, 1750; Nov. 5, 1751; Sept. 3, 1753; and Feb 4, 1755. In the Sept. 3, 1753 entry an Indian attack on the Stephen Holston residence is recorded. I am enclosing a copy of that entry which also includes a petition by Stephen to the King for more land. Note that Holston was Holstein and sometimes the spelling appears both ways in the same document. Other spellings sometimes found are Holstin, Holsten, and Holson. Stephen lived on the Little Saludy river and its tributaries and William appears in the same general area in 1773. Because of this I believe William to be the son of Stephen. In the account of the Indian attack an orphan child is mentioned. It is even possible that William could be this orphan.

With Stephen the record is really muddled. He was most probably born in Virginia. There was a Stephen Holston born in VA. that left his cabin on the Holston River in 1748 and travelled by river as far as Natchez. He is most likely the same Stephen that appears in S.C. in 1748. According to the Daughters of the American Revolution lineage book (vol 148, 1919) the Va. Stephen Married Lucy Looney. However a 1752 land transaction list the S.C. Stephens wife as Judith. I am still trying to find a clue as to what is what concerning the origin of the S.C. Stephen Holston.

Hope I haven't confused you too much. If you get into tracing the family I would appreciate any information you can find. Thank you for waiting patiently for this letter.

Sincerely,

Aubrey Holsten

The Family of Stephen Holston (Holstein)

I Stephen Holston was the son of Henry Holston Sr., a Sweedish settler of Craig Creek on the branches of the James and Roanoke River in Virginia. In 1748 the Court Clerk of that area reported that Stephen was not to be found. (Kegley's Virginia Frontier, page 185)

Stephen put his family in a boat and floated down several rivers to Natchez, Mississippi. The Holston River in Tennessee was named for him, for this feat. Because of an Indian uprising in the Natchez area, Stephen and his family fled to South Carolina, where they had relatives. (Hughes family) Part of his family later returned to Natchez to claim their land, while the others stayed in South Carolina. Stephen, himself returned to Virginia and fought in the Revolution there. (See Volume 8, East Tennessee Historical Society Quarterly 1936).

II Stephen married Lucy Looney the daughter of Peter or Moses. (I think it was Moses for whom Moses Holston was named) They had son Stephen Jr.

III Stephen Holston left his son William in South Carolina, and perhaps a son John and Kindrid, for there are records in South Carolina to indicate this. What happened to Kindrid and John is unknown. No will are to be found. William Sr. died in 1821 and left several children. The boys were Moses and William Jr. He left a wife, Sarah Federick, (daughter of John and Rachel) and a daughter Elizabeth. A daughter also married Freeman Taylor and another John Murrell, for each received three hundred dollars from the estate. Two other daughters are believed to have married John Cogburn and Emsley Lott who administrated the estate, having received their estate before their fathers death.

IV Moses Holston Sr. married Mary Ann Ruth Sellers. (The Sellers and the Ruth families intermarried back in Pennsylvania and Mary Ann could have been a widow at her marriage to Moses. From Equity file no 562 in Edgefield we find that Moses and Mary Ann had these children: William, Stephen, Moses Celia, Hiram, Mary, Asa, Irena, Wade and Cassandra. These children had a big court fight with their mother in this file).

I am descended from Mary Ruth Holston Pitts Williams. She wed as her first husband Joseph Pitts and after his death she married David B. Williams and moved to Alabama. David B. Williams was the son of Fedreick Williams and Amy Youngblood of Edgefield, and Federick was the son of Federick William Sr. and his wife Nancy. Do you know who Nancy was before her marriage?

IMPORTANT INFORMATION ABOUT YOUR ORDER

We can only search for a record based on the information you provided in blocks 3-18. The success and accuracy of our search is determined by the information you provide. Often there are many files for veterans of the same or nearly the same name. If there are five or fewer files for men with the same name as the individual in whom you are interested, we will examine all the relevant files and compare their contents with the information that you have provided us. If the veteran's identity seems obvious, we will furnish you a copy of the file we think is the correct one.

If there are more than five files, we will not make a file-by-file check to see if the information in the numerous files matches that provided for the veteran in whom you are interested. In such cases, we suggest that you visit the National Archives and examine the various files, or hire a professional researcher to examine the files for you. We do not maintain a list of persons who do research for a fee; however, many researchers advertise their services in genealogical periodicals, usually available in libraries.

PLEASE NOTE: This mail order photocopying service is available **ONLY** from **Textual Reference Branch (NNR1)** at the address below. Please address all inquiries about your order to the Textual Reference Branch at this address or call us at 202-501-5170. When you send more than one form at a time, each form is handled separately. Therefore, you may not receive all of your replies at the same time. Allow a minimum of 8 to 10 weeks for processing your order. More information about the availability of records pertaining to military service or family histories may be found in our free genealogical information leaflets and forms. You may request these, as well as order additional copies of this form, by writing to:

The Family of Stephen Holston (Holstein)

I Stephen Holston was the son of Henry Holston Sr., a Swedish settler of Craig Creek on the branches of the James and Roanoke River in Virginia. In 1748 the Court Clerk of that area reported that Stephen was not to be found. (Kegley's Virginia Frontier, page 185)

Stephen put his family in a boat and floated down several rivers to Natchez, Mississippi. The Holston River in Tennessee was named for him, for this feat. Because of an Indian uprising in the Natchez area, Stephen and his family fled to South Carolina, where they had relatives. (Hughes family) Part of his family later returned to Natchez to claim their land, while the others stayed in South Carolina. Stephen, himself returned to Virginia and fought in the Revolution there. (See Volume 8, East Tennessee Historical Society Quarterly 1936).

II Stephen married Lucy Looney the daughter of Peter or Moses. (I think it was Moses for whom Moses Holston was named) They had son Stephen Jr.

III Stephen Holston left his son William in South Carolina, and perhaps a son John and Kindrid, for there are records in South Carolina to indicate this. What happened to Kindrid and John is unknown. No will are to be found William Sr. died in 1821 and left several children. The boys were Moses and William Jr. He left a wife, Sarah Federick, (daughter of John and Rachel) and a daughter Elizabeth. A daughter also married Freeman Taylor and another John Murrell, for each received three hundred dollars from the estate. Two other daughters are believed to have married John Cogburn and Emsley Lott who administrated the estate, having received their estate before their fathers death.

IV Moses Holston Sr. married Mary Ann Ruth Sellers. (The Sellers and the Ruth families intermarried back in Pennsylvania and Mary Ann could have been a widow at her marriage to Moses. From Equity file no 562 in Edgefield we find that Moses and Mary Ann had these children: William, Stephen, Moses Celia, Hiram, Mary, Asa, Irena, Wade and Cassandra. These children had a big court fight with their mother in this file).

I am descended from Mary Ruth Holston Pitts Williams. She wed as her first husband Joseph Pitts and after his death she married David B. Williams and moved to Alabama. David B. Williams was the son of Fedrick Williams and Amy Youngblood of Edgefield, and Federick was the son of Federick William Sr. and his wife Nancy. Do you know who Nancy was before her marriage?
